Food is Ammunition!

Without it our boys are helpless. Production lines stop. Let's not let them down in '44. There would have been a food shortage this past winter had it not been for you **VICTORY GARDENERS**. Your Government asks **YOU** to plant all you can in '44.

APRIL and MAY IS THE IDEAL PLANTING TIME.

Thumb through our Catalog—select what you need from our very Complete Assortment and **ORDER TODAY**. If you have received your order and want more there is plenty of time **AND ALL ORDERS WILL BE SHIPPED WITHIN 3 DAYS**.
